Due Dates, Electronic Filing and Payment, and Other Filing Information

Due Dates: Returns and payments are due on the 1st and late after the 20th day of the month following each reporting period.

If the 20th falls on a Saturday, Sunday, or a state or federal holiday, your return must be received electronically, postmarked, or hand delivered on the first business day following the 20th.

You must file a return for each reporting period, even if no solid waste taxes, fees, or surcharges are due.

Electronic Filing and Payment: You can file and pay solid waste taxes, fees, and surcharges by using the Department's website or you may purchase software from a software vendor. If you would like to voluntarily file and pay solid waste taxes, fees, and surcharges electronically, you may do so. Solid waste taxpayers who paid **\$5,000 or more** in solid waste taxes, fees, and surcharges during the State of Florida's prior fiscal year (July through June) **are required** to file and pay solid waste taxes, fees, and surcharges electronically during the next calendar year (January through December).

Enroll to file and pay electronically: Visit floridarevenue.com/taxes/eEnroll and sign up. After you complete your electronic enrollment, additional instructions on electronic filing will be mailed to you.

Due Dates for Initiating Electronic Payments: To avoid penalty and interest, you must **initiate your electronic payment and receive a confirmation number no later than 5 p.m. ET on the business day prior to the 20th day of the month**. Keep the confirmation number in your records. For a list of deadlines for initiating electronic payments on time, visit floridarevenue.com/forms, select the eServices section, and then select the current year *Florida eServices Calendar of Electronic Payment Deadlines* (Form DR-659).

No Tax Due?

You must file a tax return for each reporting period, even if no solid waste taxes, fees, or surcharges are due. If no taxes, fees, or surcharges are due, enter "0" on Line 10, "Amount due with return."

Amended replacement returns: If you discover that your original return was incorrect, you must complete an amended return and submit it electronically or by mail. Your amended return will replace any return you previously filed for the same reporting period. It is important that you complete the amended return as it should have been originally filed rather than entering only additional or corrected information.

The quickest way to file an amended return is online. Visit floridarevenue.com/taxes/filepay to submit your amended return electronically and pay any additional tax due or report an overpayment.

If you choose to file an amended return by mail, you will need a blank return from the Department. To download a blank return, visit floridarevenue.com/forms, select the Solid Waste and Surcharge section, and select the return that you need. **Write your certificate number, reporting period, business name, and address on the return.**

- **Write "Amended replacement" on the return you use. (see example)**
- **Enter the correct information on Lines 1-10.**

Explanation of Taxes, Fees, and Surcharges

Gross Receipts Tax on Dry-Cleaning/Laundering: A gross receipts tax is imposed on every dry-cleaning and dry drop-off facility engaged in the business of dry-cleaning or laundering clothing and other fabrics, and providing coin-operated dry-cleaning machines in Florida. This tax is not imposed on the receipts received from coin-operated laundry machines or on laundry done on a wash, dry, and fold basis.

New Tire Fee: The new tire fee is imposed on dealers making retail sales of new motor vehicle tires, including those sold to governmental entities or tax-exempt entities, when such sales are made within Florida. The fee is due whether the tire is sold separately or as a component part of the vehicle. The fee must be separately stated on the sales receipt or invoice and included in the total amount subject to sales tax.

Lead-Acid Battery Fee: The lead-acid battery fee is imposed on dealers making retail sales of new and remanufactured lead-acid batteries, including those sold to governmental entities or tax-exempt entities, when such sales are made within Florida. The fee applies to new and remanufactured batteries for use in motor vehicles (on-road or off-road), vessels, or aircraft. The fee is due whether the battery is sold separately or as a component part of the vehicle, vessel, or aircraft. Dealers are not required to separately state the fee on the invoice to the purchaser. However, if the fee is separately stated on the invoice, the fee is part of the amount subject to sales tax.

Rental Car Surcharge: A rental car surcharge is imposed on the lease or rental of a for-hire passenger motor vehicle through a motor vehicle rental company or car-sharing service or the use of a shared vehicle through a peer-to-peer car-sharing program. The surcharge applies to motor vehicles designed to accommodate less than nine passengers, and does not apply to the lease, rental, or use of motorcycles, mopeds, trucks, trailers, recreational vehicles, or van conversions. The lease or rental is exempt from the surcharge when the lessee issues a sales tax exemption certificate to lease, rent, or use the motor vehicle exempt from sales tax.

A surcharge of \$2 per day or any part of a day is imposed upon the lease or rental of a for-hire passenger motor vehicle by a motor vehicle rental company. The surcharge applies to the first 30 days the for-hire passenger motor vehicle is continuously leased or rented in Florida to one person, even when the vehicle is licensed outside of Florida.

A surcharge of \$1 per day or any part of a day is imposed upon each peer-to-peer car-sharing program agreement involving a shared vehicle. The surcharge applies to the first 30 days, or to a portion of a day, of the peer-to-peer car-sharing program agreement. If the car-sharing period is less than 24 hours, then the rental car surcharge is \$1 per use.

A surcharge of \$1 per usage is imposed when the for-hire passenger motor vehicle is used for less than 24 hours by a member of the car-sharing service. If the same motor vehicle is used for 24 hours or more, then the surcharge is \$2 per day or any part of a day the motor vehicle is used.

The rental car surcharge must be collected by the motor vehicle rental company, the peer-to-peer car-sharing program, or the car-sharing service.

Report the Surcharge by County (DR-15SWS Schedule):

Florida law requires dealers to report rental car surcharge by the county where the surcharge is "attributed." This is defined as the county where the lessee picks up the for-hire passenger motor vehicle for lease or rental, or the county corresponding to the location of the shared vehicle at the car-sharing start time.

Motor vehicle rental companies are required to register each place of business in Florida and report the rental car surcharge due for that business location. Car-sharing services and peer-to-peer car-sharing programs are required to register for each county in which business is conducted.

Form DR-15SWS, *Schedule of Rental Car Surcharge by County*, must be completed by dealers who lease, rent, or allow the use of motor vehicles under an agreement for financial consideration without transfer of the title of the motor vehicle. On Form DR-15SWS, enter the rental car surcharge by the county where the surcharge is attributed. Total the surcharge due for all counties and enter the total amount on the "Rental Car Surcharge Due" line (Line 4) on the back of Form DR-15SW, *Solid Waste and Surcharge Return*.

Dealers who electronically file their returns (Form DR-15SW) will file Form DR-15SWS schedule electronically.
